If you have Avid FX 6.0, BCC 8.0 or Squeeze 7.0.1 already installed, do not uninstall these applications when upgrading to Avid FX 6.0.1, BCC 8.0.1 or Squeeze 8.0. Simply run the new installer. Upon installation, the existing serial number is detected by the installer and will allow you to upgrade.

If you're installing Avid FX 6.0.1, BCC 8.0.1 or Squeeze 8.0 for the first time, the serial number you received in your box or email will work to activate these products.

If you had uninstalled these applications and are installing the new versions, your old serial numbers will still work.

Note on Squeeze activation:

When you install Squeeze, the installer will prompt you for your serial number and registration information. You need to provide an email address in order for Sorenson to send you an Activation Key which you which you will enter at the next screen to complete the activation.
